

EZ-LIGHT™ K50 Beacon

Peripheral LED Light

Viewable Around Entire Perimeter

Bright, radiant indicator visible in daylight

EZ-LIGHT K50 Beacon is daylight-visible for use in areas of high ambient light. Light from the EZ-LIGHT K50 Beacon is also able to cut through fog or mist making a carwash or gate entrance ideal locations. Factory floor settings and parking ramps are also great locations for the EZ-LIGHT K50 beacon because of its high visibility from a distance. Models are available with perimeter and perimeter plus top view in multiple LED colors.

- ▶ Intense levels of light output for areas with high, ambient light—even outdoors
- ▶ Viewable around entire perimeter; some models also emit light from top
- ▶ 1- or 2-color models available
- ▶ Rugged, sealed thermoplastic housing rated for IP67 and IP69K
- ▶ Cabled and quick-disconnect models available
- ▶ 12 to 30V dc or 85 to 130V ac (75 to 120V dc) operation, depending on model
- ▶ 12V dc operation useful for applications on mobile vehicles
- ▶ Consult factory for models with strobe capabilities

40-plus years of sensor design experience, quality control, sales support and cost-effective solutions:

- ▶ Banner quality products with global availability
- ▶ Rapid customization with most products shipping in 3 days or less
- ▶ Industry's largest force of application engineers to solve your toughest challenges
- ▶ More than 3,000 factory and local field representatives to serve you
